

SIMS

(Ship Inspection Management System)

How do I..... cancel current data input ?

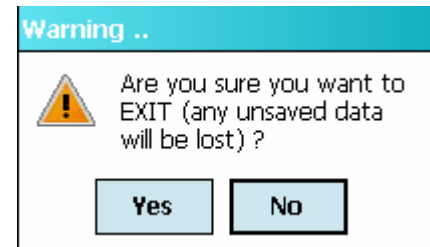

This document explains how to cancel data that you are currently entering.

To cancel data:

1. At the bottom of the input screen that you are currently entering data into, tap on **CANC.**

2. You will be asked to confirm that you want to **EXIT.**

3. If you want to proceed, tap on **YES.** Note that any data you have entered since you last saved the record, will be **LOST.**
4. To abort, simply tap on **NO** and you will be back where you were.
